

FOLDING BRACKET **EBN-DA** Built-in DamperLatest
Info

Soft-close

EBN-303-DA-SL

EBN-303-DA-BL

- Can be folded when not in use, allowing full use of space.
- The built-in damper allows for soft-close motion.
- Automatically locks when flap is in opened position. The lock can be easily released by pushing the lever.
- Keeps in folded position and has click sound when fully closed.
- Can be used in conjunction with the EBN-DA (built-in damper type) **1**.
- No hinges are needed.
- This product is the successor to the EB-DA. It cannot be used in conjunction with the EB-DA.
- The access hole has been added, making it easier to install.
